A Noteworthy Combination.

The consolidation of The Cnics of Record and The Chicago Times-Ne iaid was one of the most important events in the limity of modern netropolita-Journalism. Propis familiar with the newspapers published in the great capitals of the world say that the best larly papers are made in Chicago, and the howels it is well known that The Chicago Record and The Chicago Times Her ld ranhod at the very front among Chicago's test drilles. Each covered cial features giving it that indiviousity so attractive to its readers. Now that Therefore, Patentian Potent, Taste Good, modeled the first training and the patential patential for the patential pa and The Chicago Times Heraid now reonive every day a newspaper whose news facilities are unequaled by any other American newspaper.
